

THE GARY WARE LEGACY AWARD

Amnesty International Aotearoa New Zealand, with the generous support of the Ware family, are thrilled to announce a new youth-led, youth-powered award that will help make your dream human rights project a reality.

Now more than ever, we need to stand with humanity. We need to come together to build a world based on love, justice, kindness and compassion. We need more people – far more – to join the movement and take action. And we need to empower young people to have a bold vision for the future, with the tools to make it happen.

That's why we're offering up to \$4000 to support bringing your idea to life.

More information about the Gary Ware Legacy Award for Human Rights is available at amnesty.org.nz/award. If you still have questions, please email info@amnesty.org.nz or phone 0800 266 378.
